9 Fire Pit Safety Tips

One of the most popular backyard upgrades today is the fire pit. Nothing beats circling up around a cozy fire with family or friends, roasting marshmallows, and enjoying a beautiful spring night under the stars. However, there are hazards involved with fire pits. In 2021 & 2020 fire pit injuries were reported. The most recent statistics show increasing emergency room visits due to fire pit accidents; nearly a quarter of the injuries happen to children.

What Our Clients Are Saying About Us

Kalfus & Nachman

“I don't think you could ask for a better team. Everyone involved with our case was very informative and communicative - A blessing when dealing with subjects that are usually stressful and anxiety-inducing. Stacey Bock made an impressive impression in any interaction I had with her, and despite the severe nature of my family's case, she and Chris Jacobs were a true joy to work with. They are very patient in answering our questions and succinctly explaining the next steps ahead of you. This is a team that genuinely cares about your best possible outcome. I could not recommend them more.”

Happy Birthday

Wishing you the best on your birthday and everything good in the year ahead.

LAW TIGERS
MOTORCYCLE LAWYERS

Law Tigers Virginia has been busy supporting more motorcycle riders and events than ever this spring. Elzabeth Beard, the first woman to navigate the globe on a BMW visited and spoke at Morton's BMW and gave an inspiring and refreshing point of view on international motorcycle travel. Morton's BMW in Fredericksburg always hosts unique events for the motorcycle community.

We supported the Freedom Food Ride gathering over 10,000lbs of donations to stock the local food pantry. Colonial Harley Davidson hosted the HOC Chapter challenge where Harley riders from across the state rode to compete in different challenges to represent their local HOC Chapter. We have grown our relationship with the Dirt Bike Book Camp in Charles City where new and experienced riders can hone their skills in a controlled environment while receiving instruction from local legend Book White.

Partnering with Hampton Roads Harley Davidson, we can be found the first Saturday of the month enjoying their concert series with tons of vendors and riders from across the region. You can feel the excitement in the air in Virginia this time of year as motorcycle enthusiasts are in full swing!

The firm is covering the cost of the adoption fees *

Tinsel is about 5 years old and easy as they come. He's a plug-and-play kind of dog! He's got all of the basic skills that make for a GREAT four-legged best friend. He's got great house manners, he dreads his crate, and he is ready to nap or hike at a moment's notice! He's dog friendly, and he has had plenty of experience around kids of all ages. Tinsel lives in a foster home, so interested adopters can contact the shelter via phone 757-297-6004 or email info@portsmouthhumansociety.org to schedule a time to meet Tinsel.
